

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF	)	
CAMPBELL COUNTY KENTUCKY WATER	)	CASE NO. 94-527
DISTRICT	)	

O R D E R

On December 27, 1994, Campbell County Kentucky Water District ("Campbell County") filed its application with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure. KRS 278.012, 278.015 and 807 KAR 5:068.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Campbell County purchases water from two suppliers, City of Newport ("Newport") and Kenton County Water District No. 1 ("Kenton No. 1").

2. Effective November 1, 1994, Newport decreased its rates for wholesale water from 65 cents per 1,000 gallons to 60 cents per 1,000 gallons.

3. Effective October 1, 1994, Kenton No. 1 increased its rates for wholesale water from 65 cents per 1,000 gallons to 74 cents per 1,000 gallons.

4. Campbell County did not specify a date for implementing the adjusted rates to its customers.

5. During the 12 months ending November 30, 1994, Campbell County purchased 1,604,032,400 gallons from Newport and 656,030,000 from Kenton No. 1 and sold 2,260,062,400 gallons.

6. Except for some minor rounding errors, Campbell County's calculations are correct and show a decrease in purchased water costs of \$21,159, resulting in a purchased water adjustment of 1.14 cents per 1,000 gallons. Based on an average quarterly usage of 15,000 gallons, the average bill of Campbell County's customers would decrease 15 cents from \$64.88 to \$64.73, or .2 percent.

7. The purchased water adjustment of 1.14 cents per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment of 1.14 cents per 1,000 gallons and the rates in Appendix A are approved for services rendered on and after the date of this Order.

2. Within 30 days of the date of this Order, Campbell County shall file revised tariffs setting out the rates approved herein.

3. Within 30 days of the date of this Order, Campbell County shall file verification that the notice to its customers has been given.

Done at Frankfort, Kentucky, this 26th day of January, 1995.
